5. (Secret - GLC) Met with Bill Woodruff, Counsel, Senate Appropriations Committee, and discussed arrangements for our meeting with the CIA Subcommittee and the Defense Subcommittee of the Senate Appropriations Committee on Thursday. See Memorandum for the Record.

6. (Secret - GLC) Met with Ed Braswell, on the staff of the Senate Armed Services Committee, and he expressed concern as to whether the South Vietnamese really had the capability to take over the burden of the war as U.S. troops withdraw. He asked if we had any kind of paper on this. I told him I would check on this and be back in touch with him.

I briefed Braswell on a number of current intelligence items:

- a. Chinese naval construction programs,
- b. Frog missiles,
- c. Soviet testing of Kaz-A,
- d. Chinese deployment of armed personnel carriers, and
- e. Chinese strong points in Northwest China.

7. (Internal Use Only - GLC) Left for Al Tarabochia, Senate Internal Security Subcommittee staff, unclassified material on [REDACTED] and advised that we were not able to identify [REDACTED] about whom he also requested information.

I also advised that we had been unable to identify the Cuban in New York about whom he had asked.

8. (Internal Use Only - LLM) In response to his earlier call to CRS (reported to us by [REDACTED]), called Lawrence Barker, in the office of Senator Thomas F. Eagleton (D., Mo.), and told him that we would give him a copy of the Chiefs of State reference aid he had requested. Mr. Barker said he would not attribute it to the Agency nor publicize its existence. This was cleared through Mr. [REDACTED] DDI.
